- **Average grade across computing subjects**
 - ◆ GPA: 3.65 / 4.0
 - ◆ Weighted Average Grade: 78.75%

RMIT Academic transcript as of 3rd August 2018 [here](#).

Experience

Myer Southland - Sales assistant **10/2015 - 01/2017**

Professionally represented the sales team within the menswear and electrical department.

- Achieved upselling of additional products and insurance to reach the hourly sales quota of \$500.
- Ensured cash, credit cards, and gift cards are responsibly handled over the point of sale (POS)

CSIT Mentoring program - Volunteer Mentor

03/2018 - 05/2018

Acted as a volunteer mentor in the Computer Science and IT mentoring program.

- Educated students in programming and core computer science skills.
- Strengthened communication, problem-solving and leadership skills via the mentoring experience.
- Enhanced the learning experience of fellow students with **Java, C, HTML, CSS, JavaScript, and PHP**.

Ohm Power - Frontend Developer

06/2018 - Present

Working part-time at a Melbourne based startup that provides an energy comparison platform for solar.

- Contributing to the front end of the new overhauled website with the CMS system, **Keystone JS**
- Redesigning the google **HTML** ad campaigns to generate higher conversion rates.
- Assisting the marketing department with generating leads and collecting statistical data out in the field.

Projects and achievements

Personal projects - [find it on my GitHub](#)

In my spare time, I enjoy working on 'passion projects' when I'm not pursuing my hobbies.

- Built an Image scraper via **python**, an invoice generator via **Visual Basic** for a small business, an Arduino robot via **C++** and a genetic algorithm via **Processing**.
- I am also experienced with **Linux** for more control and **Git** for version control within teams.

RMIT LEAD recognition for contribution to student life and leadership in 2018

Checkpoint Cyber Security challenge 2017 organized by RISC
